

Plant Growing Codes

D = Deciduous (Plants that drop their Leaves)

E = Evergreen Plant

L = Will tolerate some frost

Number = The height of the plant at maturity, depending on growing conditions

F = Full sun

Sh = Semi shade

B = Indoor / Bush house

N = Australian Native

St = Salt tolerant

When available sizes are : Tubes - 125mm semi advanced - 200mm Advanced

SHRUBS

	Abelia Grandiflora : hardy, glossy small leaves, tubular white bell flowers, summer EL1.5FSh
	Acalypha Inferno (Brownie Form) : Hardy , fast, small coppery red leaves , good hedge EL2FSh
	Acalypha Wilkensiana : hardy, coloured leaves, yellow, pink , hedge, EL2FSh
	Acalypha Firestorm : hardy, red/pink irregular leaves , hedge EL1.5FSh
	Agapanthus orientalis Blue: hardy Large heads of blue flowers. EL1 FSh
	Agapanthus orientalis White: hardy Large heads of white flowers. EL1FSh
	Allamanda neriifolia: hardy, yellow tubular flowers E1FSh
	Allamanda Sunee : cold tender, dwarf, bushy, yellow tubular flowers E1 FSh
	Althernanthera Island Sunset : Suited for miniature hedging, edging & ground hugging , pink leaves EO.3FSh
	Barleria Purple Dazzler: bushy, glossy small leafed , purple flowers thru year E1FSh
	Barleria Purple Dazzler Variegata bushy: variegated pink leaf, purple flowers thru year E1FSh
	Bauhinia galpinia : hardy, flowers rich red in large sprays , spring, E2FSh
	Bauhinia corymbosa: used as climber or groundcover, pink orchid like flowers, spring E3FSh
	Beloperone guttata lutea [Shrimp plant]: flowers yellow catkins , bushy, E1FSh
	Brunfelsia latifolia (Yesterday, Today and Tomorrow) - Free flowering shrub with lavender& white blooms. A show in Spring. E2FLSh
	Carissa"Desert Star: compact ,evergreen shrub, with large perfumed white star shaped flowers .E1FShSt
	Carphalea Kirondron: large shrub with large heads of brilliant red bracts tipped with small white flowers, spring , summer, autumn. E1.5 FSh
	Cestrum nocturnum (Night Jasmine) : Hardy, Tubular, creamy yellow flowers throughout the year. Strongly perfumed. E3FLSh
	Combretum constrictum:{ New Guinea Bottlebrush] bushy ,hardy red bottlebrush type flowers E2 FSh
	Croton Petra : glossy, leathery, coloured leaves E1.5 FShB
	Croton Norma :large leaf, glossy ,leathery, highly coloured leaves E1.5 FShB
	Croton Mammy : twisty, narrow long ,glossy, leathery, highly coloured leaves E1.5 FShB
	Croton Excellence: Oakleaf shape, glossy, leathery, highly coloured leaves E1.5 FShB
	Croton Thai Yellow: strappy, narrow yellow glossy leaves E1.5FShB
	Cuphea White : hardy, Attractive dwarf shrub. Flowers throughout the year. EO.3FLSh
	Cuphea Mad Hatter Mauve: hardy Attractive dwarf shrub. Flowers throughout the year. EO.3FLSh
	Dianthera Nodosa (Pretty in Pink) : Pink flowers throughout the year. E1Sh
	Dietes bicolour : Clumping plant with yellow iris like flowers in Spring & Summer. E1 F
	Dietes iridiodes : Clumping plant with white iris like flowers in Spring & Summer. E1F

	Duranta Gold Form : Shrub with distinctive gold foliage. E2FLSh
	Duranta Aussie 2000 : Compact shrub with variegated green and gold foliage. E2FLSh
	Duranta Giesha Girl Deep blue flowers with white centres & wavy white edges. Perfumed. E2FLPSh
	Duranta Dwarf Gold Form : Dwarf form, fold foliage E1FLPSh
	Duranta Lorentzii : hardy, leaves with serrate margins, white scented semi tubular flowers, good for topiaries E2LFSH
	Duranta Blue Cascade : Compact shrub, pendulous blue flowers. E2FLSh
	Euodia hortensis " Lacy Lady ": bushy, yellow leaved dome shaped shrub E2FSHB
	Euphorbia leucocephala Snowflake : hardy ,attractive ,covered in white flowers in winter E1.5 FSh
	Euphorbia pulcherrima Dwarf red : compact, bushy, red bracts autumn spring E1.5FShB
	Galphimia glauca : [Syn Thryallis] Hardy shrub with green-bronze leaves, yellow flowers in Spring-Summer.E1.5FLSh
	Gardenia Magnifica : Sweetly scented double white flowering shrub. E1.5FSh
	Gardenia Augusta Magnifica Gold Magic: sweetly scented double white flower Fading to gold E1.5 FSh
	Gardenia Augusta cv. Florida : hardy , Produces large, double,white perfumed flowers. E1.5FLSh
	Gardenia radicans : Miniature leaves , prostrate form with star white, gardenia flowers. EO.6FSh
	Graptophyllum excelsum (Mt Etna Fuchsia) small glossy green leaves, rich red tubular flowers in spring E2ShN
	Graptophyllum ilicifolium [Holly fuchsia] hardy , glossy bright green holly type leaves, prolific purplish red tubular flowers bird attracting E1.5 FShLN
	Hemigraphis colorata (Purple waffle plant): purple metallic leaves, white flowers E0.5 ShB
	Hibiscus Mrs D.J. O'Brien : hardy, Large double apricot flower . E2LF
	Hibiscus Snow Queen : Semi-pendulous form with bright red single flowers, green & white variegated leaves. E2F
	Hibiscus Yeeppoon Red : Single red, pendulous, very hardy. E3FL
	Hibiscus Cuban Yellow: hardy, single yellow , streaked red , oakleaf shape leaf E2 LFSH
	Hibiscus Ruth Wilcox : Single pink, hardy. E4FL
	Hibiscus Rose Flake : Variegated green, red, white leaves. Red single flowers. E2F
	Holmskioldia sanguinea cv Mandarin Rouge (red):Tall, slender canes forming an open shrub with Red coloured flowers in Autumn & Winter. D3FL
	Holmskioldia sanguinea cv Mandarin Sunrise (Yellow) : Greenish & yellow flowers on slender canes. D2FL
	Holmskioldia sanguinea cv Mandarin Blue : Bluish mauve flower on upright canes. D2FL
	Hypericum patulum henryi (Golden Dollar Bush) ~ Shrub with brilliant yellow flowers in late summer .A useful ground cover. E1.5 FLSH
	Ixora Kampong White; large bushy shrub, large white terminal clusters E2FSh
	Ixora Raywards Pink :small, compact shrub ,large , pink terminal clusters,E1FSh
	Ixora Sheena: compact bushy ,salmon orange flowers E1.5FSh
	Ixora Pink Malay: large bushy shrub, large bright pink terminal clusters E2FSh
	Ixora SuperKing : Large clusters of brilliant deep scarlet flowers most of the year. E1FSh
	Ixora Willamsii: large shrub, large clusters of red flowers in Spring Summer E2FSh
	Ixora Twilight Glow: miniature shrub orange yellow flowers E0.5FSh
	Ixora Sunshine Yellow: miniature shrub, bright yellow flowers E0.5FSh

	Ixora Sunkist : A miniature plant with masses of scarlet flowers in Summer. EO.5FSh
	Ixora Guinea Gold : large bush, large clusters of old gold flowers E2FSh
	Ixora Aussie Gold: miniature shrub, clusters of yellow flowers E0.5FSh
	Jasminum sambac: Hardy,semi creeping shrub with perfumed white star flowers E2FSh
	Lagerstroemia indica little chief (Crepe Myrtle, Christmas Bush) ~ Dwarf shrub, Masses of flowers in Summer. Comes in white ,purple, pink, red. Prune heavily each Winter D1LFSH
	Leptospermum petersonii (Lemon Scented Tea Tree) ~ Lemon scented foliage, white flowering. E3FLNSH
	Leptospermum longifolia (Weeping Tea Tree) ~ A shrub with slender, pendulous branches, white flowers, hardy. E4FLNSH
	Lomandra hystrix: green leafed, Clumping grass with clusters of creamy yellow flowers. E1F ShLN
	Lomandra Longifolia : Grey leafed , Grows in clumps, flowers cream on short spikes. E1F ShLN
	Murraya Paniculata (Orange Jessamine) : Hardy with deep green leaves and white highly perfumed flowers in Summer. Good hedge E 3FLSh
	Mussaenda Capricorn Ice PBR.:bushy shrub, Large bunches of white bracts D2FSh
	Mussaenda Capricorn Dream PBR: bushy shrub, large bunches of red bracts D2FSh
	Mussaenda Luz : bushy shrub, large bunches of deep pink bracts D2FSh
	Mussaenda Queen Sirikit : bushy shrub, large bunches of light pink bracts D2FSh
	Mussaenda Snow Queen: bushy shrub, large bunches of white bracts D2FSh
	Nandina domestica nana ; Very tough plant for shade or full sun., in winter foliage turns red . EO.5FShL
	Nerium Dwarf Pink : dwarf Oleander ,Hardy shrub which do well practically anywhere. Profusion of Winter-Spring flowers. Single pale pink. E1FShLP
	Orthosiphon aristatus albus:[Cat's Whiskers] bushy hardy shrub, with white flowers like cat's whiskers E1FSh
	Orthosiphon aristatus [Cat's Whiskers] bushy hardy shrub, with blue flowers like cat's whiskers E1FSh
	Pentas White : Dwarf shrub, white flowers year round. EO.8FSh
	Pentas Red: Dwarf shrub , red flowers year round E0.5FSh
	Pentas Red variegata: Dwarf shrub, variegated white leaves, red flowers year round E0.5FSh
	Pentas Candy Stripe : Dwarf shrub, two toned pink flowers year round E0.5 FSh
	Pentas Paradise Pink: Dwarf shrub, bright pink flowers year round E0.5 FSh
	Pentas American Beauty : large shrub , hot pink flowers year round E1FSh
	Pentas Dwarf Blue: dwarf, blue flowering year round E0.5 FSh
	Pentas Ardenia : dwarf dark purple flowering , year round E0.5 FSh
	Phyllanthus multiflora (Water Fall Plant) :Cascading shrub, small reddish flowers, suitable rockeries, hanging baskets. Low hedge. EO.6FLSh
	Polygala grandiflora : narrow oval leaves ; flowers purple pea shaped E1.5FSh
	Polyscias chartreuse :leaves cream to gold edged with shades of green E1SB
	Polyscias balfouriana pennockii oval green and white blotched leaves , multi stemmed D2Sh
	Pseuderanthemum Bronze : bronze red leaves , pink tubular flowers E2FSh
	Pseuderanthemum White: white & green leaves , pink tubular flowers E2FSh
	Punica grandiflora :[Flowering Pomegranate] hardy shrub ,with orange pomegranate flowers D1.5 FSh
	Rondeletia speciosa : hardy, open ,woody shrub, orange red flowers in spring , summer E1.5 FShL
	Rondeletia species pink : bushy , pink clusters of flowers, year round E2FSh
	Rondeletia amoena : broad oval leaves, salmon pink flowers E2FShL

	Rosemarinus officinalis (Rosemary) : hardy, small blue grey foliage, blue flowers ,used in cooking E1.5L FSh
	Ruellia macrantha : hardy, shrub with attractive rose purple bell shaped flowers in winter & spring E1FSh
	Russelia juncea (red) ; Red bells, useful for floral work & very attractive for the garden. Flowers continuously throughout the year. E1FLSh
	Russelia juncea[yellow:] yellow bells Flowers continuously thru year E1FLSh
	Russelia juncea [orange] orange bells, Flowers continuously thru year E1FLSh
	Scutellaria ventenatii: oval greyish leaves, flowers are spikes of bright ,crimson tubular bells in summer, good for hanging baskets, pots, rockeries E0.5FSh
	Strelitzia reginae: clumping, bluish green , arrow shaped leaves , orange / blue crane like flowers in spring / summer E1FSh
	Tecomaria capensis orange: [Cape Honeysuckle] good hedge, orange-red flowers throughout the year. E2FLSh
	Tecomaria capensis aurea: good hedge, Yellow flowers throughout the year. E2FLSh
	Tibouchina Jules; dwarf, purple open flowers E 1 Sh
	Tibouchina Alstonville : tall shrub, purple open flowers E2FSh
	Tibouchina Jazzie: dwarf shrub, purple open flowers E1FSh
	Turnera Elgans : Free flowering shrub, yellow open flowers E1FSh
	Westingia Wynabbie Gem :greyish green small leaves , blue flowers E1.2 FShNSt
	Westingia fruticosa : Hardy, compact shrub with narrow silvery-white leaves. White flowers, spotted purple in Spring. E1.5FLShN St
	Wrightia antidysenterica "Arctic Snow "" shrubby, white open flowers year round E1FSh

TREES

	Acacia podalyrifolia (Qld Silver Wattle) A small tree with silvery foliage, producing masses of golden flowers in Winter over a long period. E3FLStN
	Azadirachta Indica (Neem tree) An excellent ornamental tree with insecticidal properties. White flowers D5F
